Pamoja Workbooks
Christmas Edition
Bringing Nature Inside

For children aged 4-10
Made by Nicola and Sarah Heath
1. Collect leaves, flowers and seeds from the garden.

2. Stick all the leaves inside the Christmas tree outline.

3. Decorate the tree by sticking flowers and seeds on.
Match the trees

Draw a line to match the trees together.
First...

Can you circle 10 differences you can see between these 2 mud men.

Now... Let's get dirty!

Go outside and make your own mud men!

1. Make some mud by mixing soil and water.

2. Roll the mud into 3 different ball to make the body.

3. Collect leaves, twigs, flowers etc.

4. Use what you have collected to make his eyes, ears, mouth, hands and anything else you would like to dress him/her in.
Sudoku rules

The Christmas tree, star, ornament and present. Must only appear once in each:

Row  Block  Column

1. Cut out the pictures on the cut out page at the back
2. Glue each one in the correct empty space.
3. Remember the suduko rules.
4. You can check the answers on the answer page at the back.
This card was coloured in by

Merry Christmas
1. Go outside!

2. Collect 6 sticks of the same size.

3. Use 3 sticks and make a triangle on the ground.

4. Tie the corners with string or rubber bands.

5. Repeat steps 3 and 4 so that you have 2 triangles.

6. Put the triangles on top of each other to make a star shape. And tie them together.

7. Collect leaves, flowers, and seeds from the garden to decorate your star.

8. Make your star beautiful and as big as you can!

**Equipment**

- Scissors
- String
- Sticks (fallen from trees)
- Leaves
- Flowers
- Rubber bands
